

ABOUT CCL IT

“CCL IT” is a completely computer and IT-based company that launched in 2010. This company “CCL IT” has merged with “Creative Circle Limited.” The company has been at the forefront of our country since 2001 in interior and exterior design of building, architecture and graphical, construction activities. The company’s honorable Chairman, MD. Saiful Islam (Saron) has established a successful story in 19 years and massive growth in the business sector of Bangladesh. CCL believes in IT innovation and launched the first digital IT hardware online shopping site “www.cclit.com.bd” in Bangladesh. It always tries to bring the best quality products and provide practical after-sales service support to our valued customers. In the future, we will set up a district-based digita...

COMPANY VISION & MISSION:

“CCL IT” is eagerly waiting for establishing an international digital IT School and College in Bangladesh. We will also dedicate our time and knowledge for setting a district-wise digital IT shop. We will also be launching E-Commerce business, online marketing, product boosting, Controlling, and monitoring by the CCL IT expert service team. This Team is well trained. CCL IT will arrange a certificate for eligible technicians. Our goal is to establish a revolutionary milestone in IT sectors all over Bangladesh. We are determined to fulfill our dream for the people of our country and have some plans to extend our company abroad. We have an excellent plan for an application that we can get quickly from Play Store. This app will help us get any IT service from any corner of our country. Our other focus will be web site developing and software developing

Ensure quality product and after sales support:

“CCL IT” comes up with multipurpose IT products, ensuring quality service and security solutions all over Bangladesh. Our company wants to achieve the client’s reliability throughout our products’ qualities, after-sale service standard warranty & non-warranty service support, online service support, online purchase, home delivery for our clients, etc. Our company’s Strength is not only quality products but also experienced human resources who continuously work for our Clients throughout their consultancy Virtually and physically. Work with individual clients by a physical and virtual consultancy. Our experts variously help them from selecting the product of following their demands to any IT-based solve problem solutions, information, etc.

CCL IT MAINTAINS PAPERS FOR BUSINESS

CCL IT that is fully IT based company and we have continue our business in our domestic country "BANGLADESH" by following all types of Govt. rules and regulation. For smooth business CCL IT up-to-date by all types of necessary official documents like Trade License, BIN, TIN, TAX, incorporation, Bank Solvency certificate and we also maintain all types of transaction by our company bank account under city bank ltd.

WE ENSURE CUSTOMER SATISFACTION BY ALT WAY

About our customer satisfaction, CCL IT doesn't believe in special discounts and gift offers. But from time to time we have to maintain this system. If any customer believes that discount and gift offer is the main reason for his IT purchase I think maximum times he will miss quality. We will always try to prove our honesty for selecting any IT Goods for my client. As a Muslim or any alt religious sales man or women have to think (Our Prophet Said) what i like best for myself you must select this same thing for your brothers. Everybody know that honesty is the best policy for continue regular business
